SUPPORT THE SCIENCES

JUDGE AT THE VIRTUAL REGIONAL SCIENCE FAIR

The Valero Energy Foundation and Texas A&M University-Corpus Christi Coastal Bend Regional Science Fair is coming (grades K–5):

APRIL 23–24

Top science students in grades K–5 from around the Coastal Bend participate. Supporting the fair supports the importance of STEM fields in our region and in our future.

K-5 JUDGE DUTIES:
Judge projects according to a rubric; providing constructive feedback & encouragement. Have dependable internet connectivity and device for viewing projects.

K-5 JUDGE QUALIFICATIONS:
K-5 judges must have completed some college. Preferred qualifications are majors/careers in education or STEM fields. Teachers who judge will earn continuing education credits.

DATE & TIME:
Slots are available Fri. 4/23 or Sat. 4/24 for judging sessions lasting 3-4 hours.

REGISTER FROM MARCH 29–APRIL 12
